It seems a long time ago now, but Milo and his merry men continued their push for the five with their 3rd straight win against Coolamon. It was the six we had to have.

The 18's got beat again, but at least 20 blokes showed up. The real test comes this week when we travel to Collingullie - we'll see how the blokes who get travel sickness when they pass the 60 km zone go then. Surprise, surprise I don't have the award winners but better players included Ben Kotzur, Squeaker, Soldier, Matty Lowes and Craig "Woofy" Maxwell.

The Seconds suffered a shattering loss against the low placed Hoppers, which puts our final hopes in jeopardy. The talent is in this side to go places so let's see the turnaround start today. Chris Schmidt got more leather than Madam Lash and won the Players Player. Snake had a ripper to win the Mug while Craig Morton showed champion athletes improve with age by winning the Westy Award.

In a heartstopping affair the Ones showed composure when it counted to score a courageous 7 point win. Quandialla's Sportsperson of the Year, Dave Brooomby continued his great form with 4 timely goals and the Players Player award. David Goesch will extract a few more kilometres from his yellow beast with the precious fuel from BFB, while Macauley Culkin lookalike Matt "Supercoach" Derrick can keep his ears warm with the Max Deal socks.

Congratulations to our RFL reps from last week - the Pontiff (vice-captain), Farmer, Sticks and Ross Devereux, who got the call-up when 53 squad members pulled out with injuries (apparently Sheeds was unavailable). A big time on the social front with the Red Faces night a raging success - an estimated crowd of 500 drank an estimated 48 million litres of beer. My spies also tell me that a good time was had by all at the Ball last week, with Adam Huwsaks - lookalike Mick Morton the star of the show.

Today we front the rejuvenated Demons on their home turf. Let's douse their flames and make the long trip home an enjoyable one. UP THE ROOS!!
Mmm, Saturday was lot's of fun! Another relatively disappointing day, with only 2 wins from 5 starts against South Wagga-Tolland. Reserve Grade as usual put up a consistent four quarter effort to win their 4th consecutive match. The 73 point victory was spearheaded by a nine goal performance from Wayne Selby and ably assisted by a dominant midfield led by Troy Westacott, Steve Kramer and Brendan Howard.

Clint Maloy was good in defence, especially when the game was in the balance, while Rob Cardwell and Ross Pamment were other four quarter performers. First Grade was the disappointment of the year so far. Enough has been said about the performance so let's just look to today for a better showing.

Best for the Seniors was Barry Duncan who continues his fine season to date. Steve Cottam provided a stiff examination for the opposition attack with a strong display at CH, while Tim Goonan was again a trier in the midfield.

To netball and some very close matches last week against the Dons. C Grade were again unlucky, this week failing by 2 goals. Best for Rivcoll were Nat Walsh, Liz Ball and Mel Banson. B Grade continued on their winning way with a 58-10 demolition of SWT. Yvette Ridley, Anna Prest and Katie Caines were prominent in another team effort. A Grade slipped out of the four following a 2 goal loss. Sally Duncan, Cath McLean and Emma Lavis were all strong players for Rivcoll.

Today it’s The Rock-Yerong Creek at home. Important games especially for Reserve Grade and A Grade netball. Let’s get the wins and build towards the finals.

A couple of reminders: Trip Away deposits are due June 29th to Steve Howe, Steve Dimitrakellis or Matt McKinley. Deposits and sizes for dress shirts due same day. See Barry Duncan or Travis Irvin tonight if possible.

Till Head loses the pretty boy image. Memo quits Saturday lunch dates, the stretchier is used for something properly and Boudy splits the middle.

Yours in reading the Pig Park scoreboard. CTFP 96

Last week we omitted to include the clubs congratulations to Gavin Graetz and Paul Halcroft on gaining selection in the Farrer League team. Well done fellas on your commitment to the Club and the way you both play your game. Gavin’s selection as Captain is just reward to a great bloke. The “Extra” game must have inspired them as they kicked 24 goals against the RAAF (Gav 16-Hawky 8).

Firsts awards to: Nathan Graetz (Mug), Russell Menzies, Chris Bevan, Darren O’Donnell.

Mick Walker took over the coaching reins for the Magoons in Willo’s absence and was ecstatic with their performance under his guidance. Scratcher was a bit unlucky in his first game back to cop a nasty injury. No doubt the Missus will provide some TLC. Smileys was smiling all day after being able to have a run without the water bottle.

Seconds awards to: Ian Bennett (Mug), Darren Walker, Darren Clifford, Simon Crouch.

Earlier in the season the Braden’s grabbed the limelight now it is the Darren’s.

Life Member Profile: Bill Collins - Strapper. “Umpire Coach” Stephen Cole and MCU’s greatest fan. Bill is a popular man about the Club and tireless worker. Former player in the Sixties. Been around as long as “Rocky”.

Who were the ladies honing their euchre skills? Don’t forget the “Condover Kelpie Stud” training school on Wednesday 26th June.

Some of JUNE releases:
Silver Strand, Puppet Masters, Mortal Kombat, Copycat, The Cure, Bloodsport 2 and many many more!

Two down and well down has become a well used phrase this season. We have no one to blame but ourselves. The work rate for two quarters was OK in both our Reserves and Senior games until about halfway through the second quarter and then fell away thus allowing the Stars to pull away and do as they wished.

Could this be a sign of not being fit enough? I believe it is because the desire for the ball was there. Enough of that and let's concentrate on today and that's APM currently sitting second on the ladder in the Senior and top of the ladder in Reserves - not an easy task but it can be done, so let's do it. We keep saying that we have the quality players, so let's show it.

Best for the Two's last Saturday were: Stewie Gibbs (first grade material?), Mark Valencic, Peter Hamilton, Steve Metcalfe, Kevin Huts and Terry Berude. For the Seniors best players were: Terry Lopisk, Kieran Hynes, Adam Jack, John Breed, Al Sharma and Craig Bynoe. A reminder regarding our "Decade Dinner" at the Uranquity Hotel on Saturday 29 June, the Grand final against SWT. Tickets are only $10 per head. Please indicate to the Secretary, Jennie Nicholas of your intentions as it is only one week away.

Congratulations go to Adam Jack on his 21st birthday, last Thursday night. He intends to celebrate tonight and knowing him he will celebrate well. Good on you Adam. Maybe you should lead the team out today and along with the remainder have a "blind". Two points for our Rosella's today are commitment and work rate. Let's put it all together and show our critics that we can do it. thanks go to Butch Bragg who was responsible for the painting of the Rosella's on our footy ground. An excellent club supporter, thanks Butch. Remember today, DON'T BACK DOWN and DON'T GIVE UP.

In summary up last weekend, it was perfect weather for footy, but alas, I had to go fishing instead and hope for a bit of success. Yet the result was still the same, entertaining but disappointing.

Our recent trip to Mango produced three close tussles but only one pleasing result from Rule the lads. The U18s produced some very entertaining footy but lost the match due to some poor kicking for goal despite being on top for most of the game. But despite the loss it is becoming clear that the boys are starting to reach their true potential. Award winners were Duane Attree the Bolten Pest award with another strong performance, and Simon Piltz battled hard all day to be awarded the Leeton Video rental.

Reserves came up against a revitalised MCU outfit and had to overcome them and a compliant attitude to register the points. A win is a win and it's good to be in the winners list again thanks to a big game by Duane Attree who doubled up and took out the Wade Pharmacy Brute award, not a bad effort; while Justin Milne topped off a good game taking home the Leeton Auto Gear award.

The first ten minutes of the second half was the difference between the two sides in the main game, with our inability to steer through major details a deciding factor. And although I may be guilty of repeating myself, I must say that despite the loss we are continuing to show improvement and it's good to see some local footys making up the majority of both sides. David Milne is hitting a purple patch and received the Foodrama, Pizza, and Craig Seton thoroughly deserved his Loyd's Penguin shirt.

Netball produced a mirror image performance to the footballers with only the B Grades having something to cheer about. Looking back on the day, it was interesting to see the constant improvements that are happening out Mango way. Another club looking to the future and building a solid base for future Committees and Players.

SOCIAL CALENDAR: The "S" night is fast approaching (after the Narrandera game at the Sports Club) and Brumby and the boys think they are a sure thing for the award again this year, but he's not letting too much out at this stage.

Don't forget it's back to the Wade Sports Club after the clubroom bar shut.

CARN THE CROWS.

Welcome to round 10 of MVFA football. For starters, today a big congratulations to all players who represented their various leagues over the last couple of weeks. A deceptively strong Hume League accounted for the boys from the Farrer and the main contest saw a "slog" up in Sydney with the Riverina Football League victors. My "spies" in Sydney tell me that the O'Farrell and them main contest say a squad of opposition and a dry day might have seen a much greater result.

Continuing the rep theme this week ... a squad of 30 players has been selected for the upcoming U18 State Championships in Melbourne. These championships have replaced the old Teal Cup and have been designed to come in line with the rapidly expanding Victorian State Football League. NSW and the ACT have combined and will play in division two of the championships. Their opponents will include Queensland, Tasmania and the Northern Territory.

With the continual improvement of players from the RAMS program as well as the quality additions from other regions (eg: boys at boarding school, along the Murray River) the team is expected to be very successful. The players in the initial squad include: Adam Chatfield, Sydney; Scott Crozier, G-GG-M; Craig Drum, Coolamon; Rod Rivers, Mark Livi, Cameron McManus, Ben Physic, Sydney; Brad Fuller, David Harrison, Matthew Harrison, Michael Hogan, Brett Howman, Renee Ioppo, Craig Lambert, Luke McCormack, Andrew McIntosh, Mark Woodward, Canberra; John Hunt, Lavington; Chris Jackson, Hov; Matthew Olney, Lockhart; Chad Williams, Nth Albury; David Willett, Corowa; Nathan Tresize, Mulwala; Travis Rankin, Moama; Matthew Hyde, Barooga; and John Hunt of Lavington.

There is a strong representation of local talent in this initial squad and it promises to be very competitive for the remaining places in the team. All players are being monitored with their performances for their respective Under 18 team and local football clubs and are eagerly awaiting the championships.

One of the coaches this week with two different drills taken from "just drills" written by Rod O'Reilly. Variety in your training at all levels is essential, especially at this time of the year. Coaches should always remember that there are many different resources available that can help further improve their training sessions. Best of luck to all competing teams for this week rounds of football.

**4 DIAMOND HANDBALL DRILL**

*Max time: 10-12 minutes. Drill: Mayhem.*

- Fun drill designed to keep players on their toes and where possible keep them under pressure to make decisions. Aim is to have 4 footballs working at once using the middle players at random to complete the triangles. Players in the middle area must concentrate and watch the balls, so that when a ball comes into the middle area a player is ready to handball and follow it out into the correct triangle. Players must follow handball to where it goes.

- Key points:
  - Awareness
  - Concentration
  - Voice
  - On your toes
  - Team work
  - Quick hands
  - Timing of movement
  - Correct positions
  - Accuracy
  - Soft handballs
