<u>Favourite Pastime</u>	: Quiet day at Broadmeadow
<u>Dislikes</u>	: Losers and Losers attitudes

**LEND LEASE
DEVELOPMENT**

TWENTY YEARS AGO

April 21st 1972 was the first round in the inaugural season of the NSWAFI second division competition.

Winners on the opening day were Uni of NSW over Combined Services, Sydney University against Pennant Hills and Warringah defeated Bankstown.

It didn't take long for Combined Services to have a win, doing so the following week. Pennant Hills had their first win the week after that, but Bankstown Sports had to wait until July before they broke their duck.

The tough Newtown side often known as the "Blood and Bandages" in those their heady, days.

Pennant Hills had a different epithet in their early years as well, the snappy and catchy "Green and Gold Kangaroos".

1972 was the centenary year of the introduction of umpires to the game.

		Mick Langford	3
U/19's	:	Blair Hatherley	3

ITEM OF INTEREST

Former Demon Russell Lieschke showed his football toughness was no fluke with a credible 139 place in last weekends "Forster Triathlon Ironman" (714 entries)

Russell covered the 326 kph (4 kl swim, 280 kl cycle leg and a full 42kl marathon) in 10 hrs 14 min 30 secs.

SENIORS

In what was a tough and hard fought game over 4 Qtrs, Hills showed from almost the beginning of the match that they are a side to be reckoned with during 1992.

The backing played strongly all day with Mick Coen putting in a real good one.

The forwards played admirably with Simon Palmer bagging 5 (could have made it seven) and the on ball players performed extremely well, led by our first draft choice, Andrew Peck putting in a ripper.

Ian Sherrin brought his kicking boots this week playing well around the ground and kicked 4 valuable goals.

Well done guys - Bring on St George.

RESERVES

A well earned victory showing that Hills now have the depth of good players the Club has been trying to get together.

To score over twice the oppositions score is a great achievement - this was done with strength and team work over the full 4 Qtrs.

Randall Green, - a dominant game in the centre and must be close to Senior selection.

Jackie Willson and Mick Langford also put in great efforts for the entire game in an overall team effort such as this, 20 players could be named, but space doesn't permit - Great effort fellas.

Make it 4 + 1 against St George.

Leo's boys suffered their first defeat for the season against a strong running Parramatta line-up.

After snatching a great victory in the first round, Hills struck very weak opposition (Syd.Uni) or none (Easts) in the following two rounds. This makes it very difficult to come up again after 3 weeks.

Great performances from Murray Best in defence, Jason Clarke all over the ground, Toby Knight up forward, and Mark Wilcox against great odds.

Or next round against St George will be a tough one so we must re-group and get back into that winning groove.

Good Luck.

Lori Jones
EDITOR

NOTE: TO COACHES

Coaches are reminded that their match reports are imperative for the publication of the Demon and MUST be handed in every week.

Please give details to Lori/Alan Jones before or on the Tuesday evening following the weekend matches.
