

**AFL SYDNEY— PREMIERS & FINALS PARTICIPANTS****PREMIER DIVISION**

Sydney football has had many titles and included numerous divisions over the years-

The following table is a list of the first grade premiers and final four/five throughout the history of the game-

	Premiers				
1880	Note - The league was formed in this year but strangely there were no clubs. Premierships, as we know them, did not come into existence until the competition competed for the Flanagan Cup as the premiership trophy in 1889. Before this games were played on a loose roster system organised by respective club secretaries.
